From,

The Director of Public Instruction

To,

The Secretary to the Chief Commissioner
of Mysore

Sir,

I have the honour, as requested, to furnish the information called for by Her Majesty's Secretary of State for India, and by the Government of India, in the orders forwarded with your docket No 3112 – D 266 of the 23rd instant

2 The graded officers of the Educational Department in Mysore and their pay are the following:

3 The remaining educational staff under the Mysore Administration, of all ranks, is as follows:-

Pupil Teachers	306	5	5	—	—

The Principal of the School of Engineering and Natural Science is an officer of the D P W, and draws the pay of his position in that Department

Training Masters of Normal schools reckon as Sub-Deputy Inspectors

Except when otherwise stated, the general rule is that four years of approved service should be rendered for each step of promotion to a higher rate of pay but in addition to the prescribed term of service promotion depends on passing certain examinations, or on maintaining a certain standa-

of the school or class In a few exceptional cases the rates differ a little from the regular scale

4 The following table supplies the same information for Coorg

Office	Present Number	Pay		Reaches maximum in years	By what instalments
		Minimum	Maximum		
Inspector of Schools	1	–	500	–	–
Head Master, Central School	1	200	250	1	–
do Normal School	1	–	60	–	–
Head Masters of Taluq A V schools	5	–	30	–	–
do Aided schools	40	7	12	10	The scale is 7, 10, 12
Assistants in Central School	5	15	40	According to qualification and requirement	
do Aided schools	5	–	5	–	–

The Coorg Department being a small one, it has not been found necessary, except in the case of Aided schools, to lay down precise rules for increase of pay, as the few individual cases in the other appointments can be dealt with on their merits The Head Master of the Central School passes one year of probation on a lower salary before attaining the maximum

I have the honour to be,
Sir,
Your most Obedient Servant,

Director of Public Instruction
